Letter No. 795 dated 6 November 1911
from the Residency Surgeon, Bangalore.

SUBJECT.

Reappropriation of funds to meet the cost of furniture for the Women's and Lady Lawson hospitals

The present allotment of ₹1700/- for furniture & fittings for the Women's & Lady Lawson hospitals is sufficient for ordinary repairs & renewals. For full equipment of these hospitals, the Residency Surgeon forwarded an estimate in May 1909 for ₹ 10,046. Towards this purpose, a sum of ₹ 3340/- was reappropriated from the allotment for Plague expenditure in 1909-1910 & a sum of ₹ 2500 from a similar allotment in the budget of 1910-1911. In order to meet the original estimate, a sum of ₹ 4206 has yet to be placed at the Residency Surgeon's disposal.

Para 26 Sl. 1. File 164/1909 (G)

Para 33—do—

Vide note on M. 21 of File 164/1909 (K)

2. In June 1911, the Residency Surgeon proposed a reappropriation of ₹ 3000/- for this purpose from the allotment for plague expenditure in the budget for 1911-1912, but it was suggested to him that further expenditure on hospital fittings might be postponed until December 1911 when the feasibility of reappropriating

reappropriating funds could be better dispensed with. The Bombay Government forwarded for sanction a reappropriation statement for ₹3,000 from the Plague allotment. Presumably no reappropriation of funds from any current head under Hospitals is permissible.

3. It seems from para 7 of the Resident Surgeon's letter No. 402 dated the 20 June 1911, that some articles which are urgently required have been ordered, but that payment therefor need not be made till April 1911. The Major Standage, who is in charge of Plague operations in the Poona District, proposes immediately a reappropriation of ₹3,000 from the Plague allotment. It appears that this sum can conveniently be spared from that allotment. A sum of ₹1,290 has already been reappropriated from the Plague allotment on account of hospital establishment. If approved, the proposed reappropriation of ₹3,000 may be sanctioned.

On enquiry at the Police office it has been ascertained that no C.I.D men have been deputed to Delhi, and that a portion of the amount required was intended to meet the T.A. expenses of the Policemen sent for duty in the Resident's Camp. The Police Office has now been informed that the T.A. of these men will be met from the ~~Durbar~~ grant.

Bangalore 17th november 1911

Dear Sir,

Please see the reappropriation statement forwarded with your office letter No. 209 dated the 10th November 1911.

It appears that a portion of the supplemental grant required under "travelling allowances is to meet the travelling allowances bills of men deputed on special duty to Delhi. Presumably, these men belong to the C.I.D. sent to Delhi and are not those sent for duty at the Residents Camp at Delhi. Am I right please?

To The Manager, Police office.

17th november 1911

Dear Sir,

No men have been sent to Delhi for C.I.D. duty. Those that have already gone are intended only for duty at the Hon'ble the Residents Camp.

The amount proposed to be re-appropriated is for meeting the travelling allowance and batta of these men and the force during the remaining months of the year for which there are not sufficient funds.

Yours Sincerely

Dear Sir,

Police budget for 1911—1912

The D.S. H wants a supplemental grant of Rs 6000/- for meeting travelling allowance charges for the year, & says that it is not possible to reappropriate the amount from any other minor head under the head "Police".

2. There is yet a balance of about Rs 20000/- in the allotment for building & furniture grants under the head "Education", but there are applications waiting disposal, & no reappropriation from this head can be made without consulting the D.P.I. Instructions, madam.

I understand that A.D.C. is sending some proposals to enhance the amount. O.

(a)

Amount as in the estimate passed by Government ...	3,000	0	0
Actual expenditure up to 31-10-11	2,530	0	0
Balance	470	0	0

This amount is not sufficient for the remaining portion of the current year and to meet the travelling allowance bills of men deputed ~~on special duty to Delhi~~ and for treasure escort duty to Coorg. A sum of Rs. 1000/- will at least be required but as there are no savings under any heads of the Police Budget to this extent to reappropriate a re-appropriation of Rs. 350/- is at present proposed from amount available under heads "Munshi allowance to European and Eurasian Inspectors and Sub-Inspectors" and "Rents, rates, and taxes."

(b)

Amount as in the estimate passed by Government ...	1,500	0	0
Actual expenditure up to 31-10-11	1,410	0	0
Balance	90	0	0

A sum of Rs. 2,300/- was proposed in the budget estimate for 1911-12 but this amount was reduced to Rs. 1,500/- in the sanctioned estimate. The balance now available is hardly sufficient to meet the usual recurring Contingent Charges for the current month and there are still four months of the year to be provided for. In addition to this the cost of printed forms and registers sent from the Inspector-General of Police Madras Viz., Rs. 110-12-6 has also to be met; hence a re-appropriation of Rs. 610/- is proposed from Sub-heads "Rents rates & taxes" and "Purchase of books and publications."

Sir,

C. 43 With reference to your endorsement No.7660, dated the 23rd December 1911, I have the honor to state that the Treasury Officer reports that the average expenditure under "29 Superannuation and Retires allowances" amounts to 830/- a month which is due to the increase of pensioners added to the pension list since the budget estimate was last furnished and sanctioned.

2. I therefore request that steps may be taken to obtain an additional grant of 760/- to meet the probable excess expenditure under the above head till the end of the current official year.

3. The allotment under "24 Medical - Diet of Lunatics is Rs.7000/- for the current year but the expenditure of three - quarters bills adjusted already to Rs.4641/-. Adding the - expenditure for another quarter to be adjusted before the end of the year, the total expenditure under this head will amount to about Rs.6200/-. Hence a sum of Rs.760/- can be reappropriated from that head to "29 Superannuation and Retired allowances".

Sir,

I have the honour to state that the expenditure under head "travelling allowance" has exceeded the budget allotment and there are no savings under any other heads of the Police budget to effect a reappropriation of at least a sum of Rs .600/- to -- meet the excess expenditure during the remaining three months of the current financial year.

2. If at all, a reappropriation of a sum of Rs .65/- only can be effected from the sub heads "Allowance to Drill Instructors" and " Cycle allowance to Inspectors, Sub-Inspectors and Sergeants" which would not be sufficient even to meet the excess expenditure on date.

3. The excess expenditure under this head is, among -- other items, ~~is~~ due to four trips to Mercara in Escorting treasure, to three trips to Madras by the Railway Inspector to give evidence in a murder case and to a trip to Ceylon by a Head constable in search of accused in a case.

4. Travelling charges being inevitable in the interest of the public service, they are being incurred under the provisions

provisions of articles 161 and 162 of the Civil Account Code, Volume 1, and will be kept as low as possible.

Urgent

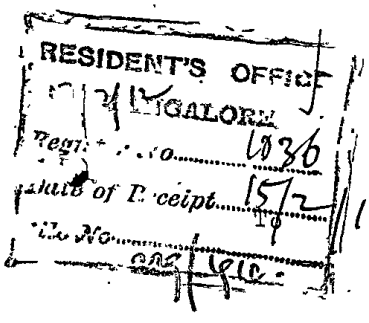
No. 725 Enc. 15

Office of the Collector & District Magte.
Civil and Military Station,
Bangalore, dated, 15th February 1912.

DESPATCHED.
15 FEB 1912

From,

F. J. Richards, Esq., M.A., I.C.S.,
Collector and District Magistrate,
Civil & Military Station, Bangalore.



To

P. R. Warburton, Esq., B.A., I.C.S.,
First Assistant to the Hon'ble the Resident in Mysore.

Sir,

I have the honor to state that the marginally noted budget estimates for 1911-12 have exceeded the grants made, as detailed against each item, and to request that steps may be taken to provide additional grants to those heads as recommended below.

	Budget allotment	Expenditure up to date.
7-Excise-Carriage of liquor.	800	1,425
19-A-Law & Justice Criminal Courts - Contingencies.		
Postage and Telegraph charges	70	113
Miscellaneous	540 — 715	
19-B-Law & Justice Jails.	.....	
Transfer charges of prisoners.	200	233

2. The increased expenditure under " 7-Excise - Carriage of liqour " is due to the fact that the carrying contract as at present worked includes coopering charges etc, Including the expenditure payable in February and March 1912, the total charge under this head will amount to nearly Rs.1700/- for the current year. I therefore suggest that a sum of Rs.200 be appropriated from the allotment of Rs.550/- made for "Miscellaneous - Contingencies" under the same major head and a sum of Rs.700/- being transferred from the budget provision (under "19-B

(3-2)

"19-B-Law and Justice - Jails-Maintenance of Prisoners in the Jails of the Mysore State") of Rs.6,000/-, the expenditure under that head incurred this year being only Rs.4783/-

3. The excess expenditure under "Postage and Telegraph charges" under "19-A-Law-and Justice-Criminal Courts.-Contin - gencies" is mainly due to the Salem Gazetteer correspondence. Including the further expenditure on this account till the end of the year a sum of Rs.150/- with supplies thereof a sum of Rs,80/- may be reappropriated from the provision of Rs.500/- made for "Supplies and Services" Diet to prosecutors etc" under the same major head.

4. The expenditure under "Miscellaneous-Contingencies2 is partly due to the Electric Lighting Charges for which no provision was made in the budget when it was originally submitted and partly due to the fees paid to the Chemical Examiner in four cases. A further sum of Rs.150/- will be required under this head till the end of the year. Thus a total sum of Rs.870/- - will be required, while the budget provision is only 540/-. A sum of Rs.330/- has therefore to be replenished. I propose the following reappropriations.

Rs.100/- from "Allowances" -"Travelling Allowances"
Rs.110/- from the provision for "Diet to Prosecutors etc"
Rs. 80/- ---do--- ---do--- "Purchase of furniture"
Rs. 40/- ---do--- ---do--- "Purchase of books"
under the same major head.

5. A sum of Rs.100/- may be transferred from "Maintenance of prisoners" under "19-B-Law & Justice - Jails" to the head "Transfer charges of prisoners" to meet the excess expenditure under the latter minor head.

6. Necessary reappropriation statements, in triplicate, are herein enclosed for the approval and sanction of the Hon'ble the Resident.

I have the honor to be,

Sir,

Your most obedient servant,

14/7/44 Collector and District Magistrate.

2. The reappropriations have been rendered necessary by the following circumstances:

Item (1), The actual expenditure under 'Carriage of liquor to the Bonded Depot', including the amount payable in March 1912, amounts to Rs. 1,700, and the provision made for this purpose in the current year's budget is Rs. 800/-. The increased

expenditure is due to a slight enhancement in the rate allowed to the Contractor for carrying arrack from the Mysore Government Distillery to the Excise Warehouse in the Civil & Military Station of Bangalore, in return for his undertaking full responsibility for any wastage or -- damage arising out of accident during transit. A sum of Rs. 200 has been reappropriated from a minor head under '7 Excise' and provision has to be made for the balance of Rs.700 required to meet the charge.
